## Service Style

While we offer details on our most popular catering services below, we are more than capable of creating a bespoke service tailored specifically to your event.

## Buffet Service

Our buffet style service offers a variety of dishes laid out at a designated buffet table, where guests approach and choose their desired dishes to be served by our attentive waiting staff. Buffets can be used for your main course and desserts, providing a greater variety of meal options.

## Family Style Bowl Service

Our Family Style Bowl Service is increasingly popular. Large bowls and platters of your chosen dishes are brought to your tables by our friendly staff, allowing guests to serve themselves without the requirement to leave their tables. This style offers the benefit of your guests having multiple servings of the meals within the bowls.
